breeze from N and thick cloudy weather at 10 AM 12
sailed back the main top sails were took in because of
the gale sails were taken in for fear of running about at 10

Thursday Dec 12th Came in with a light
breeze from the S. It is now blowing strong from the
wind to S by W at sundown to S by W have to by
to Port about 20 Miles the Middle part squally with a
strong breeze and falling with cloudy weather at 4 AM
double reefed the top sails at 2 turned them Out to Ends

Friday Dec 13th Came on In with A Strong
breeze from S.W. and Cloudy weather steering by
wind the boat took the Island bears N.W. by N. Dist
15 miles off the middle part squarely, the wind increased by
5 PM and we landed on the island at 4.5 PM One
boat went on shore and one this ~~day~~ ^{Friday} at 5 PM the
boat off from the shore with 20 hunters & hunters
at 5 PM. I heard from fishing with
Hunt 4.30 fish at 4.30 PM the back
Christian packet of St. Barbara left and land
in the middle part. A strong breeze from S.W.
and we are trying to get on after breakfast 5.30 the board
men. Boat went on shore after hunters and the Land
fishing at 2 PM. The boat came from the
hunters which made 20 hunters then went back after the
C. G. at 2.30 PM.

Dec 10th Came in with a strong breeze from S by
W. Calm weather and at 11 o'clock we did not
see but a shore after twilight we saw a small
at 5 P.M. the boat came from the shore with a load of
whales of 1000 lbs. the boat came from the shore
and put it up at 1 P.M. we made the Bark Christened
James of the Bark of Highland in a chain so the wind in
force of her she is 5 M. and it came on at quarter watches
at the middle and the same place breakfasted the 3 boats and
at 10 o'clock we were at the shore at 1 P.M. a fishing
boat of 100 lbs. came in with 100 barrels of fish and went
back to the remainder of the boats this day

Sunday Dec 11th Came in with a strong breeze
from S by W. Calm weather and at 11 o'clock we did not
see but a shore after twilight we saw a small

Remarks On Board Ship Catherine Lewis

Monday June 30th Came on with a fresh breeze
from E & S E and with a rough sea and clear sky steering
by wind on both tacks to get to west port soon. A
large number of boats and some merchant men
at sundown we were inside of Black Island (about
1/2 way) middle of the night the same at 5 AM.
inside of again the latter part the same. At 6 AM

Tuesday July 1st Came on with a strong breeze
from E & S E. Cloudy and some squalls steering
by wind on both tacks to get to west port and
about 1/2 way at 1 PM. I went to look at Dist
3 miles off at 1/2 past 3 PM. I picked up a man sail at
sundown we were abreast of second point the
middle of the night in water. At 1 AM
at 5 AM the first and 2nd boats came off from
west port point at 9 AM. Came to anchor off the
harbour and passed on side at 5 PM. Our
boat went up to the harbour where we
dropped our anchors and parted the snails and left
her at 6 AM this morning.
